

Mrs. Crawford's 2nd Grade News

Monday, September 18, 2017

Dear Parents,

We are working hard in 2nd Grade. What a nice class! Here is some information about what we will be doing this week:

Reading:

I can review /a/ spelled a, and a_e

I can review /i/ spelled i, and i_e

I can review /u/ spelled u, and u_e

I can read the selection "For the Love of the Earth"

I can learn the meaning of my vocabulary words

I can learn my spelling words

I can learn about nouns and action verbs

I can read decodable stories:

"The Mole Zone"

"Hope's Cute Music Box"

Math: I can learn sums and differences to 20

I can review sums and differences to 20

I can take the Module 1 Assessment

I can connect measurement with physical units

I can use iteration with one physical unit to measure

I can apply can measure lengths with unit rulers

I can measure with centimeter rulers and meter sticks

Science: We are starting "Mystery Science". We will be learning about matter.

Social Studies: We are learning about neighborhoods and communities
