## A peek at our week...

**Language Arts:** We will learn about the sounds and sound spellings for c, k, r, and f this week. Your child has worked hard to read the decodables. Have them show you how well they can read!

**Writing:** We continue to write to the VIP. We also have been discussing nouns and plural nouns.

**Math:** We have been practicing addition facts to 10 and turn-around facts.

$$3+4=7 \quad 4+3=7 \quad 7=3+4 \quad 7=4+3$$

**Science and Social Studies:** We are starting our unit on habitats and where animals live.

## Halloween Party

We will celebrate Halloween on Friday, October 31 in the afternoon. I have created a list of the parties we have at school and given each student a holiday to bring in an item. We have 30 students in our room. Each student only has to bring in items for one of the parties.

See back for details!

## Apple Dessert

Thank you to all of the families who sent in an apple (or more!) for our apple treat last week.

All of the students tried it and most of the students loved it! We used a variety of apples which gives it a unique flavor every time. To try it at home: Peel, core, and slice many varieties of apples. Place them in the crockpot on low for 24 hours. I added  $\frac{1}{4}$  cup brown sugar and 1 tablespoon of cinnamon for a full, large crockpot. Stir occasionally.
