October 31-Halloween Party
 November 2-Library
 November 7-Picture retakes
 November 15-Safety Day (No School)

A Peek at Our Week

Language Arts: We have reviewed the many letters. Last week, we worked on g, j, u, and z. We also learned about possessive nouns. We will begin to work on x, e, and past tense verbs this week.

Math: We have been working on addition and subtraction learning about what it means to join objects together and take them apart. They are learning how to relate addition and subtraction facts.

Writing: We will begin with our second round of writing with the VIP next week.

What you can do at home

- Encourage your child to identify the different sounds he or she hears within a word: beginning, middle, and end.
- Discuss items that belong to people living at home. (i.e. Mom's car, dad's phone, sister's tablet, or brother's toy). We are really trying to focus on the 's (apostrophe s) added to the end of the word.
- Talk about fact families.
 $3+4=7$ $4+3=7$ $7-4=3$ $7-3=4$
- Read to your child 😊
