*Our Spelling Test will be
Friday, December 1.*

Vocabulary Words

Please make sure your child can read these words and use them in a sentence:

strange, enormous,
hatch, responsibility,
bringing up, beckoned

Classroom News

It was so nice seeing so many of you at conferences. I appreciate how hard you work to help your child succeed in school!

Reading

We have begun our Animal and Habitats unit. This goes along nicely with our science units. We are still working hard at identifying nouns, verbs, subjects and predicates. We are now adding pronouns and plurals. There are rules to make nouns plural and there are nouns that are irregular that don't follow any rules. Ask your child to tell you about these.

Math Corner

We have started Module 3 this week. This module contains using the properties of multiplication and division to help students gain a deeper meaning.

Important Dates

- November 28**-Parent Club meeting 6:00 pm
- December 8**-Popcorn Friday and Our Class shops at Santa Shop
- December 15**- Popcorn Friday
