*Our Spelling Test will be
Wednesday, December
20.*

Vocabulary Words

Please make sure your child can read these words and use them in a sentence:

male, female, aboard,
mainland, mild, layer,
population, balance

Classroom News

We are working hard preparing for our Christmas program, making fun crafts and doing our academics. It's the most busiest time of the year. Our Holiday Program is Wednesday. Please have your student to our classroom at 6:15.

Reading

We continue with our Animal and Habitats unit. This goes along nicely with our science units. We are still working hard at identifying nouns, verbs, subjects and predicates, plural nouns and possessive nouns. We have started making an Interactive Language Arts handbook. These will help the students apply and be more familiar with the grammar terms that they are required to know. We are keeping them here at school but will bring them home at the end of the year.

Math Corner

We will be beginning Module 4 on Monday. This module contains finding area of shapes. Finding the area of rectangles is a big topic in third grade. We have also started learning our stories for our multiplication facts. Ask your child to tell you the stories for 3x3, 3x4, 3X6, 3X7, 4X4, 4X6, king zero and mirror one. Students are taking a timed multiplication test each day to arrive on the moon. Our rockets are moving toward the moon nicely. Please continue to help your child memorize their facts each day.

Reminders

We will be having our classroom Christmas party on Thursday, December 21. Students in charge of snacks are as follows. As I mentioned before, I am very flexible so if you would like to send something different I am fine with that. I will provide drinks and napkins.

Fruit: Jase, Kamryn

Crackers: Jordan, Calvin

Cookies: Roselynn, Allie, Karis

Candy: Ryan, Cole, Cody

Important Dates

December 18- ECP, DK & K Holiday Program

December 19-1st & 2nd Grade Holiday Program

December 20-3rd Grade Holiday Program 1:30 and 6:30

December 21-Classroom Party
